Created by the Fitchburg Planning and Zoning Department on 11/2/2011 from plat maps, and from information provided by Dane County LIO and neighborhood associations. Disclaimer - Residents and/or landowners within a neighborhood association boundary may not be members or actively participate in that neighborhood association. Neighborhood association boundaries are subject to change over time. Only neighborhood associations that provided boundary information to the City are shown. Other neighborhood associations may exist. For specific boundary concerns, please contact the neighborhood association in question.
