7:30 P.M.

On September 13, 2011, the Fitchburg Police Department arrested two suspects in a series of residential burglaries. The two suspects committed at least five burglaries between mid-August and their arrest today. Searches of the suspect's homes and vehicles resulted in recovery of jewelry, computers, game systems, firearms, a crossbow and cash stolen during the burglaries.

The suspects committed burglaries in the both the City of Fitchburg and City of Madison. Information provided to law enforcement through a neighborhood association "alert system" provided substantial investigative leads which resulted in the arrest.
